"It gave me my life back. I have gained so much knowledge, coping skills, and SELF WORTH since being here. I think, personally, that long term treatment is the only way to go, if you want true change. This program has given me the tools, it was my job to pick them up and use them."

Chrysalis House, Inc. (CHI) is one of the four residential treatment centers in the state that allow women to bring their children with them, thereby removing a barrier to seeking treatment. Women with children or women without children are eligible to participate in our unique program. CHI only accepts clients with Medicaid insurance.

Our Mission

To provide comprehensive recovery services that empower women to build a better life for themselves and their children.

Residential Treatment Program

Our holistic and therapeutic program helps women with substance use and mental health disorders along their recovery journey. Based on an individual's treatment, women and their children live on-site in the state-of-art recovery facility. This structured program includes:

- Individual and Group Counseling
- Case Management Services
- Medical Staff Support
- Substance Use Disorder Education
- Co-dependency Education & Treatment
- Co-occurring Education & Services
- Relapse Prevention
- Parenting Skills Training
- Family Dynamics Group
- Life Skills Development
- Trauma Counseling
- Art Therapy/Expressive Writing
- Music Therapy & Yoga
- On-site Infant and Childcare Center
- In-house/Community 12 Step Meetings
- Family Education
- Mother/Child Activities
- Transportation
- Transitional Housing Support Services
- Affect Management
- Medication Assisted Therapy (MAT)

Outpatient Programs

Chrysalis House believes in continuity of care. We offer two outpatient programs: Intensive Outpatient Program (IOP) and Outpatient Program (OP). These programs continue ongoing treatment which strengthens the recovery journey. These programs include:

- Group Counseling
- Assessments and Referrals
- Job Readiness
- Workforce Development
- Individual Counseling
- Relapse Prevention
- Random Drug Screening
- Partnership Referrals for Mental Health
- Transitional Housing Support Services

"I went into Chrysalis House very broken, immature, naïve, an adult with no adult skills. Now I have a sense of peace that I have never known before and I realized it was because I had done this work on myself." - CHI Graduate
